* Irvington has a new afterschool **music program** operated by Chris Gabriel from Musik Haus - the same excellent instructor teaching our daytime music enrichment program. Since this is a new offering and we are very excited about the program, PTA wants to help make this available to more families. The PTA has a budget of \$1000 to help subsidize this music program for the winter 2012 session.

The price of the class is \$100 per student, however, you can use the following guidelines to choose a sliding scale fee. This is based on the honor system (Musik Haus will manage all fees confidentially): Income below \$50,000 - \$50 per student; income between \$50,000-\$75,000 - \$75 per student; \$75,000 and above income - \$100 fee. Families who qualify for free and reduced lunch also qualify for our existing scholarship program. See the flyer from Musik Haus for class descriptions.

The PTA provides scholarships for ALL fee-based extracurricular activity offered at Irvington. All students who qualify for free or reduced lunches also qualify for PTA Scholarships. Scholarship forms are available in front of the office.

Please note: Some classes may have a minimum number of students requirement. The schedule above is for new classes; Spanish, Chess & Go Club, MUSE, and Arnerich Massena classes continue throughout the year. If you have any activities you would like to see at the school, please contact Rachel Carlson at rachelabra@msn.com.
